The purpose of this report is to provide students with overall information about the application procedure to this specific university. In case of seeking more specific requirements, individual research is necessary.

ABOUT

Dating back to 1636, Harvard University is the oldest university in the US and is regarded as one of the most prestigious in the world. It was named after its first benefactor, John Harvard, who left his library and half his estate to the institution when he died in 1638. Situated in Cambridge, Massachusetts, Harvard’s 5,000-acre campus houses 12 degree-granting schools in addition to the Radcliffe Institute for Advanced Study, two theatres and five museums. It is also home to the largest academic library in the world.

INTERESTING FACT

Thirteen US presidents have honorary degrees from the institution; the most recent of these was awarded to John F. Kennedy in 1956.
