The purpose of this report is to provide students with overall information about the application procedure to this specific university. In case when more specific requirements are needed an individual research is necessary.

UNIVERSITY COLLEGE LONDON

ABOUT

University College London (UCL), founded in 1826, is one of the UK's leading research universities, consistently ranking among the top institutions worldwide. UCL is renowned for its diverse and interdisciplinary approach to education, offering over 650 degree programs and maintaining a strong commitment to cutting-edge research.

INTERESTING FACT

One interesting fact about UCL is that it was the first university in England to admit students regardless of their religion, making it a pioneer in promoting inclusivity and diversity in higher education.
