The purpose of this report is to provide students with overall information about the application procedure to this specific university. In case when more specific requirements are needed an individual research is necessary.

ABOUT

Leiden University was founded in 1575 and is one of the leading international research universities in Europe. It has seven faculties and a campus in both Leiden and The Hague. Its motto is Praesidium Libertatis – Bastion of Freedom.

Leiden is a real student city. At least 10 per cent of the population are students.

INTERESTING FACT

Leiden University has a historical connection to the renowned philosopher René Descartes, who chose the university as the place to publish "Discourse on the Method" in 1637. Descartes' time in Leiden and his correspondence with leading scholars highlight the university's significant role in the dissemination of groundbreaking philosophical ideas during the Golden Age of Dutch intellectual and scientific achievements.
