ABOUT

Established in 1880, VU Amsterdam is a public research university in the Netherlands' capital. As one of the two main publicly funded research universities in Amsterdam. The institution transitioned from private to public funding in 1970, receiving government support on par with other public universities.

INTERESTING FACT

VU Amsterdam was the first university in the Netherlands established with no interference from the church or the state. The acknowledgment that freedom is not universally self-evident is a cornerstone at VU Amsterdam. Students are not only made aware of this during their academic pursuits but are also guided to incorporate these values into their lives beyond graduation.
